California Training Officers are proud to present our Annual Entrapment Avoidance Seminar:

Speaker: Dr. David Griffin, Charleston 9

“On June 18, 2007, nine firefighters perished in a furniture warehouse fire in Charleston, South Carolina. The engineer of the first-arriving engine, David, relates how this experience has changed organizational culture, response, education, and training on an international level. David gives a riveting account of what he witnessed that day, and the crisis that ensued in the fire service and his personal life as well.”
